PROFESSIONAL EXPERIENCE

BVA Group

Incoming Financial Analyst

Plano, Texas

August 2026

H-E-B

Supply Chain Operations Intern

Houston, Texas

June 2025 – August 2025

- Designed and implemented a targeted inventory auditing and cycle-count process that systematically identified high-priority SKUs stored at 3rd party warehouses supporting Houston's Frozen Foods network
- Collaborated with 3rd party warehouse providers to streamline communication and address shrinkage issues

Lonestar Electric Supply

Project Coordinator

College Station, Texas

October 2024 – June 2025

- Oversaw 40+ commercial projects worth over \$8M by serving as the primary liaison between vendors, contractors, and internal teams, ensuring timely communication and issue resolution
- Managed warranty requests, replacements, and additional material needs while overseeing warehouse operations, and scheduling deliveries with logistics carriers – expediting service fulfillment and improving customer satisfaction
- Automated document processing and text extraction from purchase orders and invoices using Power Automate flows and Excel macros, significantly reducing manual data entry and error rates

Texas Instruments

Business and Operations Intern

Dallas, Texas

May 2024 – August 2024

- Developed and launched a cross-functional SharePoint Site, reducing material request processing time by 70%, automating 20+ weekly reporting tasks, and streamlining communication between team members
- Designed a refreshable dashboard in Excel and Spotfire to monitor over \$50 million in material assets, enhancing data-driven decision-making speed by 25% across key business units
- Established and refined SQL and Power Query database connections, reducing query run time by 40% and enhancing data retrieval efficiency, leading to faster business analytics processes

Summit Electric Supply

Assistant Project Manager

Bryan, Texas

May 2023 – May 2024

- Collaborated with cross-functional teams to coordinate project activities, delivery schedules, and ensure effective communication between manufacturers and end-users
- Increased operational efficiency by 50% through the development of a custom excel macro to automate client updates

LEADERSHIP & INVOLVEMENT

The Big Event

Team Leader

College Station, Texas

March 2022

- Recruited 10 new members for service team by creating Facebook groups to communicate with volunteers about the Big Event mission and details on specific projects the team would undertake
