PROFESSIONAL EXPERIENCE

PwC

Incoming Mergers and Acquisitions Intern

Dallas, Texas

May 2025 – July 2025

Jackson Hill Advisors

Hedge Fund Summer Analyst

Houston, Texas

May 2024 – Aug 2024

- Modeled companies' financial data to project relevant performance metrics and make assumptions on future earnings through comparable companies, historical results, and consensus estimates to implement in DCF's and other valuation models
- Intensively researched 2 public companies and prepared write-ups based on company's business model, competitive advantage, macro-economic factors, management alignment, and valuation to assist in the further analysis of each equity
- Updated in-house financial models across industry sectors in accordance with quarterly reports and various economic releases

Motorola Solutions

Junior Systems Integration Specialist Intern

Allen, Texas

May 2023 – July 2023

- Assisted with the development and implementation of the presale process by providing pricing, engineering solutions, and analyzing risk for multiple projects over \$5M for public safety solutions
- Developed a forecasting tool leveraging 3 years of proposal data from projects in southern states, which empowered pre-sale teams to make precise and efficient estimates of labor, project timelines, and third-party costs for future projects

LEADERSHIP & INVOLVEMENT

Gilbert Leadership Conference (GLC)

Director

College Station, Texas

December 2023 – December 2024

- Selected as Chief Student Leader of one of the 13 branches of student government at Texas A&M.
- Developed vision based upon relational and servant leadership, and selected 14 diverse student leaders to serve on the team
- Revamped the approach for raising funds by creating mutually beneficial partnerships and corporate sponsorships

Delegates Coordinator, January 2022 – December 2023

- Scheduled and coordinated weekly speakers from a variety of industries to speak on character, service, and leadership
- Cultivated an inclusive environment by providing opportunities for delegates to get to know each other and facilitating discussions with questions that encouraged critical thinking and vulnerability

Outreach Coordinator, January 2022- December 2022

- Spear-headed recruiting efforts by organizing and focusing efforts on effective practices of banner, speaking events, and hosting informationals, yielding a record 170 applicants

Farmers Fest

Founder and Board Member

College Station, Texas

February 2024 – Present

- Created a tax-exempt non-profit organization that donates profits to Kairos Christian School in Antigua, Guatemala
- Planned and coordinated the first fully-student led concert in Aggie Park with over 1,500 attendants
- Generated over \$120k in gross revenue via ticket sales and sponsorship packages in the first 12 months
- Partnered with over 40 student organizations to increase attendance and marketing throughout the student body

Horizons Consulting Guild

Member

College Station, Texas

February 2023 – February 2025

- Developed an understanding of management consulting best practices, as one of 23 undergraduate members
- Partner with established management consultants who provide mentorship and guidance throughout the recruiting process
