Texas A&M University

College of Engineering, Mays Business School
Bachelor of Science in Industrial & Systems Engineering
Master of Science in Finance

College Station, Texas

May 2026

Cumulative GPA: 3.84 / 4.00

Cumulative GPA: 3.80 / 4.00

PROFESSIONAL EXPERIENCE

Ernst & Young

Incoming Structured Finance Consulting Intern

Houston, Texas

Summer 2025

GAF Materials

Supply Chain Planning Intern

Parsippany, New Jersey

June 2024 – August 2024

- Planned, structured, and created a user-friendly tool in Excel and Tableau for demand-supply balancing that brings visibility to previously unseen levels of detail, enabling optimal data-driven decision making
- Collaborated with team members to seamlessly integrate the tool into planning processes
- Discovered and fixed inconsistencies in the data driving demand forecasting resulting in increased forecast accuracy

Cedar Park Typhoons Swim Team

Coach

Cedar Park, Texas

May 2022 – July 2022

- Led structured practice by creating specific workouts and practice sets to teach stroke technique and specialized skills
- Developed swimming skills in over 100 youth ranging from 4-17 years old and transformed each individual into a successful competitive swimmer

LEADERSHIP & INVOLVEMENT

Texas A&M Climbing Team

Event Coordinator and Team Member

College Station, Texas

September 2022 – Present

- Plan and organize A&M's climbing competition, BTHO Gravity, which hosts over 120 competitors
- Train to build pulling and finger strength during biweekly practices that involve climbing challenging boulders; develop and hone the strategic thinking necessary to solve complex climbing sequences in less than 5 minutes to simulate competitions

UTIMCO MSF Boot Camp Case Study

Team Member

College Station, Texas

August 2023

- Created waterfall structures using Excel to analyze two investment opportunities and determine optimal strategy
- Presented findings and investment recommendations to industry panel and UTIMCO employees as part of competition

Sophomores Leaders Impacting, Developing, and Educating (SLIDE)

Director

College Station, Texas

May 2023 – May 2024

- Raise awareness for students' mental health and sexual assault victims by hosting informatory panels, contacting professional counselors, advertising through flyer distribution and banner, and reserving venues through A&M event services
- Develop 80 sophomore students into future leaders by providing experiential learning opportunities for public speaking, PowerPoint creation, and networking during biweekly meetings

Institute of Industrial and Systems Engineers

Member

College Station, Texas

August 2022 – Present

- Attend meetings, ISEN specific career fairs, and company showcases to build industry knowledge and gain insight into career opportunities available to pursue through the Industrial and Systems Engineering industry sector
