Texas A&M University

Master of Science in Finance
Mays Business School

College Station, Texas

May 2027

Cumulative GPA: 4.00/4.00

Texas A&M University

Bachelor of Science in Mechanical Engineering, Minor in Computer Science
College of Engineering

College Station, Texas

May 2026

Cumulative GPA: 3.91/4.00

PROFESSIONAL EXPERIENCE

Lazard

Incoming Summer Analyst

Houston, Texas

May 2026 – August 2026

L3Harris Technologies

Mechanical Engineer Intern

Houston, Texas

May 2025 – August 2025

- Mechanically designed aircraft components for intelligence, surveillance, and reconnaissance solutions
- Updated and modified aircraft parts to ensure safety and improved aeronautical performance
- Managed ECRs and processed ECOs to record and implement changes to engineering designs and specifications

SLB

Quality Engineer Intern

Houston, Texas

June 2024 – August 2024

- Reduced nonconforming parts entering assembly, saving the company nearly \$86,200 annually in rework expenses
- Lowered safety valve nonconformance by roughly 13%, preventing potential sales losses of \$3MM-\$6MM per valve
- Managed 5 engineering projects, utilizing company analysis tools to identify problems, generate solutions, and apply changes

Mathnasium

Math Instructor

Missouri City, Texas

February 2022 – June 2022

- Instructed 30 children in a variety of math subjects, including calculus, through personalized lessons and tutoring sessions
- Mentored young adults academically, resulting in a 60% improvement in their letter grades and overall academic performance

LEADERSHIP & INVOLVEMENT

Horizons – Finance Guild

Member

College Station, Texas

October 2024 – Present

- Developed understanding of valuation, M&A, and accounting/finance concepts through workshops and case studies
- Engaged in informational sessions, speaker series, and mock interviews to hone interviewing skills and industry knowledge
- Partnered with established investment bankers who provided mentorship and guidance throughout the recruiting process

Engineering Mentorship Council

Mentor

College Station, Texas

September 2023 – Present

- Mentored 4 students in academic and professional concerns such as leadership development, ETAM, and resume-building
- Offered guidance on coursework management, work and personal life balance, and utilizing school-provided resources

A&M STEM-to-Stocks

Mentor

College Station, Texas

August 2023 – May 2024

- Communicated the significance of financial integration in STEM projects and using finance to enhance STEM careers
- Acquired knowledge of investment management through bi-weekly meetings, while enhancing professional development

Women-in-STEM

President/Social Media Marketer

Missouri City, Texas

August 2020 – September 2022

- Offered learning opportunities, scholarships, and a variety of STEM projects to improve members' engagement
- Advertised the organization through social media campaigns and communicated ideas to others through Instagram and X
