EDUCATION

Texas A&M University   **College Station, Texas**
Master of Science in Finance   *May 2027*
Mays Business School   *Cumulative GPA: 4.00/4.00*

Texas A&M University   **College Station, Texas**
Bachelor of Science in Mechanical Engineering   *May 2026*
College of Engineering   *Cumulative GPA: 3.91/4.00*

PROFESSIONAL EXPERIENCE

energyRe   **Houston, Texas**
Incoming Energy Markets Intern   *June 2025 – August 2025*

Bellaire Capital Management, LLC   **Bellaire, Texas**
Summer Investment Analyst   *June 2024 – August 2024*
- Gained knowledge of portfolio management processes involving millions of dollars, covering the entire workflow execution process, client interactions, decision-making factors, data collection and analysis, using various software tools
- Aided in creating an analysis tool regarding a variety of factors, such as momentum and market betas, using tens of thousands of data points from nearly 500 stocks and commodities to impact future investment decisions and processes of the firm
- Thoroughly analyzed historical data and news releases of various trust funds, creating comprehensive new data sets in spreadsheets that were further analyzed to determine the most strategic actions for optimizing the trust's investments

Summer Investment Analyst   *May 2023 – August 2023*
- Researched and downloaded data from global models to automate the data intake process in proprietary models
- Inputted data into models, such as a Monte Carlo simulation, to predict future outcomes and probabilities
- Developed a Python learning environment to simulate and analyze existing Python back testing strategies

Prestige Healthcare Associates   **Houston, Texas**
Summer Intern   *May 2022 – August 2022*
- Collaborated with COO to help digitize data intake and analysis through Excel and Sheets from a previously analog system
- Created Excel files to store patient data that automatically updated as new information was added to the system
- Developed online forms for patients, automatically updating the spreadsheets used for analysis by doctors and employees

LEADERSHIP & INVOLVEMENT

Horizons – Finance Guild   **College Station, Texas**
Member   *October 2024 – Present*
- Developed understanding of valuation, M&A, and accounting/finance concepts through workshops and case studies
- Engaged in informational sessions, speaker series, and mock interviews to hone interviewing skills and industry knowledge
- Partnered with established investment bankers who provided mentorship and guidance throughout the recruiting process

Texas A&M Vietnamese Student Association   **College Station, Texas**
Member   *August 2023 – Present*
- Planned and scheduled a variety of events for designated groups within the organization, ensuring successful implementation
- Collaborated with other members to enhance community outreach efforts through workshops and social events

American Society of Mechanical Engineers   **Houston, Texas**
Member   *August 2023 – Present*
- Participated in technical workshops and seminars, gaining knowledge in emerging engineering technologies and best practices
- Actively engaged in volunteer activities aimed at promoting STEM education and awareness within the local community
- Collaborated on research initiatives, enhancing problem-solving skills and technical expertise in mechanical engineering

SKILLS, ACTIVITIES & INTERESTS

Technical Skills: Python, Java, SQL, Data Processing
Activities: Society of Petroleum Engineers, TAMU Philippine Student Association, Tau Beta Pi Engineering Honor Society
Interests: Reading Science Fiction and Fantasy, College Football, Cross Country, Track, Esports, Investing, Baseball, Trading
