PROFESSIONAL EXPERIENCE

Kimley Horn

Incoming Civil Intern

Austin, Texas

June 2025 – August 2025

Texas A&M University Math Learning Center

Calculus Tutor

College Station, Texas

August 2023 – Present

- Instruct in-person help sessions for 30+ engineering and business students to aid them in acquiring greater knowledge of advanced calculus, solving homework problems, and developing study strategies
- Create clear and innovative lesson plans with a team of 10 tutors to accommodate students at a variety of skill levels

Target

Fulfillment Expert

Austin, Texas

March 2020 – Present

- Collaborate with up to 20 fellow team members to pick, prepare, and ship over 10,000 units from the store per day, ensuring the accuracy of items and timelessness of shipments
- Compile items for guest orders while working under tight time constraints and locating items for guests

Austin Gymnastics Club

Gymnastics Coach

Austin, Texas

August 2018 – August 2022

- Managed classes of up to 15 preschool through middle school-aged students, implemented program-effective workouts, monitored athlete progress, and supervised use of equipment
- Assisted parents with registration, communicated gym information, determined appropriate level placement for athletes

LEADERSHIP & INVOLVEMENT

Texas A&M University Student Engineers Council

EnVision Conference Hospitality Coordinator

College Station, Texas

April 2024 – October 2024

- Led EnVision Conference introducing over 150 high school students to engineering through team challenges, engineering exploration, and professional development activities
- Allocated a budget of over \$5,000 to arrange meals and snacks for 150 participants and team leaders, coordinate goodies and thank you gifts for students and speakers

Philanthropy Committee Member

February 2023 – Present

- Organize break-room takeover for Zachary Engineering Building custodial, lead math tutoring sessions for local elementary-aged students, and assist with Engineering Day introducing over 100 young students to engineering at Texas A&M

Texas A&M University Fish Camp

Counselor

College Station, Texas

April 2023 – August 2023

- Constructed lesson plans and engaging activities to introduce over 200 freshmen to Texas A&M traditions and values
- Developed detailed risk mitigation strategies for emergency camp situations, supporting a small group of 10 incoming freshmen students with physical and emotional demands

Kappa Delta Sorority

Accountability and Support Board

College Station, Texas

January 2023 – January 2024

- Collaborated with 5 fellow board members to fairly enforce organization policies, mitigated conflict between members, and ensure the safety and emotional well-being of members
