PROFESSIONAL EXPERIENCE

Macquarie Group

Commodities and Global Markets Summer Analyst

Houston, Texas

June 2025 – August 2025

- Streamlined and optimized the internal system for uploading new LNG deals, enhancing operational efficiency and ensuring accurate integration of data into the firm's business processes
- Conducted in-depth forecasting of ERCOT electricity loads from 2022 to present, identifying consumption patterns and contributing to predictive models used for anticipating market shifts and pricing strategy

Texas A&M University

Teaching Assistant – Construction Science

College Station, Texas

August 2023 – December 2023 & August 2024 – Present

- Prepared weekly class agendas and assignments and graded throughout the semester for three class sections
- Assisted in organizing and facilitating course activities such as the final semester presentation, contributed to a dynamic learning environment, and enhanced student engagement

Bartlett Cocke General Contractors

Preconstruction Intern

Houston, Texas

January 2024 – August 2024

- Collaborated with 8 team members to prepare proposals and deliverables for pursuits as well as current projects
- Supported Project Manager in project development, submitted payment applications, reviewed submittals, and maintained the construction site

Camp Fern

Counselor

Marshall, Texas

May 2020 – July 2020 & May 2021 – July 2021

- Counseled and mentored 12 10–12-year-old girls through leadership sessions and by teaching various classes
- Led swim, ski, and canoeing classes for various age groups and earned Lifeguard and CPR certification as required

LEADERSHIP & INVOLVEMENT

Zeta Tau Alpha Fraternity

Director of Social Events

College Station, Texas

January 2023 – December 2023

- Directed and hosted six social events costing \$55,000+ and responsible for securing dates, venues, and managing vendors
- Ensured the events met the necessary chapter requirements for 500+ guests

Judicial Board Member

August 2021 – December 2023

- Chosen to represent Member Class, facilitating communication between members and leadership by recording and disseminating detailed monthly meeting minutes, tracking action items, and ensuring follow-through initiatives
- Uphold the honor and integrity of our chapter by ensuring its members complied with the fraternity's principles

Aggie Women in Construction

Member

College Station, Texas

August 2021 – Present

- Network with classmates, professors, and industry leaders to explore careers in the phases of the construction industry
- Gain awareness about the legislative process and legislation as it relates to the construction industry
