PROFESSIONAL EXPERIENCE

West Monroe

Productivity Intern

Dallas, Texas

June 2025 – August 2025

- Analyzed operational data across five client projects, leveraging Excel, VBA, and AI tools to identify bottlenecks and inefficiencies, driving operational improvements and streamlining warehouse processes
- Conducted on-site studies for a major food distribution company to assist in the implementation of process standardizations, as well as to reinforce engineered targets created by my team
- Engaged weekly with clients across eight cities to communicate key metric goals and deliver actionable insights

Gessner Engineering

Construction Materials Engineering and Testing Intern

Bryan, Texas

May 2024 – August 2024

- Completed over 20 field service requests weekly, supporting large-scale construction projects valued at more than \$20 million by performing on-site testing to verify compliance with engineering specifications and standards
- Conducted laboratory tests on various construction materials, contributing to over 10 detailed lab reports weekly, which were reviewed and approved by the project manager for quality assurance and documentation purposes
- Collaborated with a multidisciplinary team of 15+ members, including civil and structural engineers, external contractors, and clients, to facilitate project coordination and enhance communication

Momenta Tech

Engineering Intern

Houston, Texas

December 2022 – August 2023

- Wrote 15+ technical engineering and career articles for a WordPress site to effectively drive site traffic for companies and develop a deeper understanding of SEO performance metrics and optimization strategies
- Assisted in weekly client outreach to expand social and professional skills, and understanding of the engineering industry
- Organized internal and external document processing and improved the client/contractor onboarding system

LEADERSHIP & INVOLVEMENT

Delta Kappa Epsilon, Tau Chi Chapter

Vice President

College Station, Texas

May 2022 – May 2023

- Led the fraternity's recruitment process, achieving semester growth targets of 50% increase from the previous semester, and demonstrated effective leadership for recruitment chairs and members
- Created positive relationships with 100+ potential recruits, 200+ alumni, and 10+ campus organizations to expand the fraternity's network and spread fraternity's values to future members

Secretary

January 2022 – May 2022

- Coordinated chapter meetings by keeping track of all fraternity affairs and relaying them to a chapter size of 40+ members
- Increased overall attendance by 15% and participation in chapter events and meetings
- Developed leadership qualities and the ability to effectively work with a group to make executive decisions

Cypress-Fairbanks Lacrosse Association

Head Coach

Cypress, Texas

December 2019 – March 2020

- Coached a 15 person, fourth-grade lacrosse team during practices, games, and tournaments
- Instilled a sense of teamwork and community within the players
- Communicated important information with the parents of the players and responded to their questions and concerns
