PROFESSIONAL EXPERIENCE

Purdy–McGuire, Inc.

Mechanical/Electrical/Plumbing Intern

Dallas, Texas

May 2025 – August 2025

- Worked on over 20 commercial projects using Revit and AutoCAD for electrical, mechanical, and plumbing (MEP) design, while also completing onsite visits and inspections of design implementation
- Placed 100+ receptacles and coordinated over 500 feet of ductwork and piping into design documents, gaining full visibility into firm-wide design processes on each project across all three disciplines
- Collaborated to complete project proposals on deadline for high-profile clients, including companies like United Airlines

The Peach Truck

Sales Consultant

Dallas, Texas

May 2024 – August 2024

- Provided exceptional customer service to approximately 500 customers daily, utilizing clear, professional communication and active listening to resolve inquiries, address concerns, and ensure a positive and efficient experience
- Delivered merchandise to over 70 retail and business locations throughout the Dallas–Fort Worth metroplex, maintaining punctuality and accuracy while representing the company brand with professionalism
- Upsold products during deliveries and pop-ups, identifying customer needs and recommending additional items or services, contributing to increased sales and long-term client satisfaction

LEADERSHIP & INVOLVEMENT

Texas A&M Fish Camp

Counselor/Chair

College Station, Texas

March 2024 – Present

- Guided three three-day orientation sessions for groups of 12, first-year students, introducing them to campus culture, traditions, and resources through planned skits, discussion groups, and presentations
- Planned and led weekly activities and social events for around 300 new students, providing mentorship and support during their transition into and throughout their freshman year at A&M
- Currently selecting 24 counselors through interviews and applications, whom I will supervise and train to build a values-based camp culture that can adequately support incoming Texas A&M students

MSC Abbott Leadership Conference

Delegate

College Station, Texas

October 2025 – Present

- Attended weekly meetings to develop ethical leadership through shared discussion of delegates’ family values and experiences.
- Fostered personal and leadership development through preparation for a three-day conference centered on ethics, tradition, service, and values-based leadership, along with 80 other delegates
- Engaged in six-monthly dinners with a respected local family to explore their family structure, traditions, and leadership.

Freshman Leaders in Progress

Member/Mentor

College Station, Texas

September 2023 – May 2025

- Strengthened leadership abilities by learning from seasoned leaders and applying insights learned from them into my personal and professional life over the course of my freshman year
- Fostered personal development through active participation in four annual leadership retreats, weekly volunteering at an underserved elementary school, and involvement in over three philanthropy competitions
