PROFESSIONAL EXPERIENCE

Kiewit — **Lenexa, Kansas**
Finance Analyst Intern — *June 2026 – August 2026*

- Performed monthly cost report and current estimate analysis for multi-million-dollar EPC and progressive design-build projects, supporting project controllers in forecasting costs and monitoring overall project financial performance
- Identified approximately $130,000 in unbilled project labor by analyzing employee time charges and project costs, initiating labor cost transfers, supporting revenue recognition efforts, and notifying project managers of billing discrepancies
- Developed standardized operating procedures for project initiation processes across finance teams by collaborating with project controllers, improving onboarding, project financial management, operational consistency, and process efficiency

Merit Advisors — **Katy, Texas**
Sales and Use Tax Intern — *May 2025 – August 2025*

- Analyzed over 7,000 invoices and identified applicable tax exemptions for oil and gas clients across upstream and midstream operations, enabling the successful recovery of over $500,000 in sales and use tax refunds
- Conducted multi-state taxability research across 10+ jurisdictions, searching tax code databases and writing detailed audit summaries to ensure compliance for upstream and midstream oil and gas clients; presented findings for future projects
- Prevented over $100,000 in excess tax payments by reviewing and classifying oilfield service and equipment invoices across multiple companies, verifying correct tax treatment against state tax regulations, and flagging discrepancies

Jos. A. Bank — **Katy, Texas**
Retail Sales Associate — *May 2022 – August 2022*

- Delivered excellent service by welcoming customers and guiding individuals toward suitable products; upheld the store's professional look by organizing merchandise, restocking items, and ensuring cleanliness throughout shifts
- Increased sales by identifying customer needs, providing personalized fit and style recommendations, and suggesting complementary apparel, accessories, and alteration services to enhance the overall purchase

LEADERSHIP & INVOLVEMENT

SUITS Men's Organization — **College Station, Texas**
Internal Relations Executive — *May 2024 – May 2025*

- Collaborated with executive leadership to resolve internal organizational issues by leading meetings, facilitating discussions, and encouraging members to share ideas, strengthening communication, and creating positive change
- Handled recruitment for the organization, managing over 300 applications to keep the process smooth and efficient; coordinated and set up weekly meetings for the entire organization to keep members informed and actively involved
- Oversaw $1,500 budget for recruitment events, ensuring spending targets and goals for budget were met

Alumni Executive — *January 2024 – May 2024*

- Created and distributed monthly newsletter for alumni highlighting key events and updates; handled a budget of $1,200 to coordinate special events for alumni network, ensuring all events stayed within budget and promoted alumni involvement
- Presented comprehensive updates on scheduled events and activities to over 100 active members on weekly basis
